

# 2018 Biosafety Workshop

Presented by Tennessee Department of Health Division of Laboratory Services

**8:30 a.m. - 4:00 p.m.**

## **Lunch Provided**

This workshop is brought to you at **NO CHARGE** under the Federal Preparedness Grant.

Travel/lodging expenses NOT covered.

## **DATES AND LOCATIONS**

**Nashville, TN**  
**October 22, 2018**

**Memphis, TN**  
**October 24, 2018**

**Knoxville, TN**  
**October 30, 2018**

## **Description:**

This full-day workshop focuses on biosafety in the clinical laboratory environment.

## **Topics include:**

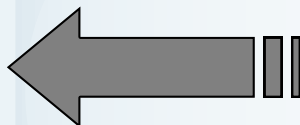

- Disinfection Practices
- Identifying and Mitigating Laboratory Hazards
- Biosafety Case Studies
- Risk Groups
- Biosafety Jeopardy

## **Objectives:**

- Discuss disinfection in the lab and learn how to determine effectiveness based on use
- Identify laboratory hazards and determine how to eliminate or bring the hazard to an acceptable level of risk
- Discuss laboratory case studies of safety concern
- Understand Risk Groups versus Biosafety Level
- Participate in biosafety and biosecurity game competition

## **Target Audience**

Managers, supervisors, and laboratorians working in clinical laboratories in Tennessee.
